Inevitable Charm

fashion is really about sensuality how a woman feels on the inside in the women used suits with exaggerated shoulders and waists to make a strong impression women are now more comfortable with themselves and their bodies they no longer feel the need to hide behind their clothes.

Beyond Traditional

Fashion is so close in revealing a person's inner feelings and everybody seems to hate to lay claim to vanity so people tend to push it away it's really too close to the quick of the soul.
