

A woman with long dark hair is sitting on a small wooden stool in the center of the image. She is wearing a long-sleeved, knee-length purple dress with a white floral and geometric pattern. The dress has a wide, flowing capelet over her shoulders. She is also wearing purple patterned trousers and matching purple patterned flat shoes. She is positioned in front of a large, ornate archway. The archway is made of a light-colored material, possibly plaster or stone, and is decorated with intricate gold-colored carvings of floral and geometric patterns. The archway is set into a wall of the same material. The floor is a light-colored, polished surface. The overall lighting is soft and even, highlighting the details of the dress and the architecture.
