"What you wear is how you present yourself to the world, especially today, when human contacts are so quick. Fashion is instant language."

"Fashion is part of the daily air and it changes all the time, with all the events. You can even see the approaching of a revolution in clothes. We can see and feel everything in clothes."

B

"Children are part of the daily life and it
changes with the time with all the moments.
You can keep the spirit of childhood in the
production of clothes. We can use and put
everything to children."
